

Youth Sports Friendship Request

This request form allows individuals to participate in a sport together on the same team.

Friendship Request Guidelines:

- One friendship request is allowed per child (that friend **MUST** request you also or the request will not be granted).
- You may only request one friend.
- Siblings in the same program are allowed only one request.
- Each team will automatically have the coach's and assistant coach's children placed on their team. Each head coach is allowed to request an assistant coach. This will count as their friendship request.
- Request for a specific coach will not be considered.
- Participants who are on the waitlist will be placed as openings develop without consideration of friendship requests.

Friendship Request:

Program Name: Baseball

Date of Request: _____ Activity # _____ Sec # _____
