

Lesson Levels

Spongeball

Quickstart program designed to develop coordination and introduce children to tennis with the emphasis on having FUN!

Quickstart Sponge/Red

This transitional Quickstart level is designed for children 5 to 7 years old to reestablish the basic elements and skills they enjoyed in Spongeball, while continuing the fun!

Quickstart Red (Level I)

Introductory Quickstart generally for children 7 years and older to teach the proper techniques for the ground stroke, volley and serve. Students will learn basic body movement, rallying, and a continued positive introduction to tennis.

Quickstart Red/Orange (Level I/II)

This transitional Quickstart class continues to develop strokes with an emphasis on more advanced shots like the overhead. 36' to 60' court match play and strategy is covered.

Quickstart Orange (Level II)

This Quickstart section continues to develop proper techniques with an introduction to more match play and strategy (60' court).

Quickstart Orange/Green (Level II/ III)

This transitional Quickstart class focuses on the development of more advanced techniques.

Players begin to use a larger (60'-78'foot) court while introducing them to skills in areas of both singles and doubles.

Quickstart Green (Level III)

This Quickstart class continues the focus on the development of more advanced techniques, like point construction.

Players begin to use spin, more sophisticated strategy, and position to improve their skills in singles and doubles play.

Quickstart Tournament Prep

Designed to introduce tournament play to young players that have not participated in official tournaments. This is the last progression in Quickstart to prepare players for full court match play with yellow balls.

Challenger Tournament

Designed for players with some tournament experience with the focus on the physical and mental aspects of tournament play, including pre- and post- match preparations.

High School Team Prep

These classes are designed for players interested in playing on the high school tennis team. Drills focus on developing the skills, strategies and tactics used in high school match play.

Frosh-Soph Prep: Designed for junior high and freshman players

Junior Varsity Prep: Designed for returning JV players

Varsity Prep: Designed for returning Varsity players

Pro's approval required for participation in all junior group classes.
